5. Problems and Challenges

Internal

- Attainment of reasonable level of cost of operations.
- Challenges in increasing non-interest revenue.
- Challenges in recovery of loans.
- Challenges in managing surplus liquidity.

External

- COVID-19 pandemic has severely hit the economy of the country and contraction in economic activity has adverse effect on credit quality. Due to this, borrower's repayment capacity has been affected.
- Risk to the bank due to changes in policies and regulations.
- Competition among banks and financial institutions.
- Pressure in the interest spread.

Strategies to overcome Challenges

- COVID-19 pandemic:
 - The Bank has conducted COVID-19 impact survey among the borrowers on various parameters related to borrowers regarding their financials, past performance with the Bank, security coverage, duration of relationship with the Bank and their view on effect of pandemic to analyze the actual impact on borrowers.
 - The Bank has established a mechanism to interact with the borrowers and has been addressing their problems in line with the regulations issued by NRB.
 - The Bank will continue to focus on borrower's needs to help them recover from the impact of pandemic.
 - Greater attention has been given to more challenged customer segments.
 - The Bank will monitor the effect of this pandemic regularly so as to maintain desired NPA level.
 - The situation has forced many new users to uptake digital banking services for conducting transactions. Like in the past, the Bank will further encourage customers to shift towards digital transactions. The infrastructure will be strengthened accordingly for security of digital transactions.
- Adapt the operating models to drive efficiency and resilience.
- Implementation of better cost management practices.
- Focus on new, diversified and high yielding products and services.
- Focus on non-funded business and explore new avenues for investment diversification.
- Drive digitization and automation to improve efficiency and productivity.
- Developing human resources and motivating them for growth.

h) Prudent management of assets and liabilities for optimum utilization of resources.

6. Corporate Governance

- The Bank is committed to maintain high standards of corporate governance by compliance to legal, statutory and regulatory requirements.
- Executive Committee (EXCOM) and Asset Liability Management Committee (ALCO) are in place to ensure effective and efficient operations of the Bank.
- Audit Committee ensures the establishment of effective internal controls and provides recommendations to the management regarding internal controls and compliance issues as appropriate.
- Required policies, process and structures are in place and are regularly being reviewed and monitored by Board of Directors and Board Level Committees who meets on a regular basis.
- Good Corporate Governance is an integral part of the Bank to safeguard the interest of stakeholders.
